* Battiscopa ottenuto da pressa. Per la posa combinata con il fondo 30x30 rettificato si consiglia la posa sfalsata rispetto al battiscopa. • Skirting tile obtained by press forming. When laying in combination with rectified 30x30 plain tiles, the joints in the floor and skirting tiles should be staggered. • Plinthe obtenue par presse. Pour la pose combinée avec le fond 30x30 rectifié, la pose décalée par rapport à la plinthe est conseillée. • Sockelleiste, gepresst. In Kombination mit der rektifizierten Grundfliese 30x30 wird empfohlen, die Kanten zur Sockelleiste versetzt zu verlegen. • Rodapié conseguido mediante prensado. En el solado combinado con el fondo de 30x30 rectificado se aconseja una colocación escalonada con respecto al rodapié. • Прессованный плинтус. Для комбинированной укладки с обрезным фоном 30x30 рекомендуется укладка с разгоном относительно плинтуса.
